REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

The question of enablement has been resolved. The Examiner taught the basics of "dynamic memory" through the use of Official Notice with a reference. But the prior art of record does not show the selecting the option for dynamic memory in the environment of the invention.

Applicant's argument on page 6 and pages 7 through page 8 are persuasive.

Furthermore, the Applicant amended to add the point made on page 7 in the Overview.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
